PROFESSIONAL
EXPERIENCE

Caucasus Research Resource Center (CRRC), Tbilisi, Georgia

- | | |
|-----------------------------------|--------------------------------|
| • <i>Research Director</i> | January, 2019-present |
| • <i>Senior Policy Analyst</i> | March, 2017 - December, 2018 |
| • <i>Senior Researcher</i> | January, 2015 - August, 2016 |
| • <i>GIS and Database Analyst</i> | January, 2011 - December, 2014 |
| • <i>Database Consultant</i> | January, 2009 - December, 2010 |

Participated in or supervised over fifty research projects, including those procured by the National Democratic Institute, National Opinion Research Center, OECD, the World Bank, USAID, and the Europe Foundation. As a research director, I design methodology for qualitative and quantitative studies, and supervise their implementation. I also coordinate Caucasus Barometer survey, a bi-annual comparative survey conducted in Armenia and Georgia, CRRC's Annual Methodological Conference, and quarterly omnibus survey. I contribute to the policy analysis unit by supervising the production of written outputs, such as policy documents, blog posts, and opinion pieces.

List of selected projects led during the last four years:

- **A Study on Barriers to the Social and Political Inclusion of Young People in Georgia and Their Participation in Peace-building** (Caucasian House, 2021). Led instrument development, data collection, and analysis.
- **Evaluation of the Confidence Building/Early Response Mechanism (COBERM) Program** (UNDP, 2021). Led instrument development, data collection, and analysis in Georgia and Abkhazia.
- **Geopolitical Attitudes of the Residents of the Post-Soviet Countries** (University of Colorado Boulder, 2019 to date). Led data collection in seven countries and areas with limited recognition (Armenia, Belarus, Georgia, Kazakhstan, Moldova, Nagorno-Karabakh, Transnistria), supervised data preparation, and conducted quality control.
- **Study on Voting and Political Attitudes in Georgia** (National Democratic Institute, 2017 to date). Led instrument development for survey experiments, contributed to data analysis and public dissemination of results.
- **Rapid Gender Assessment of Covid-19 in Georgia** (UN Women, 2020). Led instrument development for a population survey and in-depth interviews, data collection, and report writing.
- **The 2019 Caucasus Barometer Survey** (Carnegie Foundation, 2019). Led instrument development for a public opinion poll, data collection and dissemination in Georgia and Armenia. Organized the Sixth CRRC Methods Conference.
- **Needs Assessment of the Population Residing along the Administrative Boundary Lines in Georgia** (UN Women, 2019). Led research design development, contributed to report writing and dissemination.
- **Baseline Survey on Knowledge, Awareness, and Practice of Potential Beneficiaries on Local Climate Risk Management Options** (UNDP, 2019). Led research design development, contributed to report writing.
- **Anti-Western Propaganda Barometer** (USAID and East-West Management Institute, 2018-2019). Developed automated text analysis algorithm for Georgian-language Facebook posts, led report writing and public dissemination.
- **Study of Beneficiaries of Produce in Georgia Startups** (International School of Economics at TSU, 2018). Led instrument development, supervised data collection.
- **Business Mapping for the Empowered Civil Society for Good Governance** (World Vision Georgia and the European Union, 2018). Led instrument development, designed factorial survey experiment, supervised data collection and report writing.
- **Needs Assessment of Adjara Eco-migrant Communities and the Pankisi Gorge** (Embassy of the Kingdom of the Netherlands, 2017). Co-led research design and instrument

development, contributed to report writing and public dissemination of results.

- **The Study of Comparative Advantages of Georgia's Black Sea Region** (Center for Training and Consultation and Tbilisi State University, 2017). Led research design and instrument development, contributed to report writing.
- **Baseline Study of the Attitudes of the Georgian Public, Businesses, and Civil Society Organizations towards Volunteerism and Corporate Social Responsibility** (Konrad Adenauer Foundation and the European Commission, 2017). Led instrument development for population, enterprise, and CSO surveys, data collection, and report writing.
